For directions [www.bbonline.com/tn/ourbackyard](http://www.bbonline.com/tn/ourbackyard) then click on “click to see a map.” A motion was made by Debbie Broadbent to purchase a pot of flowers (about \$15) out of the club funds to present to Kathy Burnett in appreciation for us visiting Our Backyard Town. This was seconded by Roy Cates.

Debbie is working on a trip to Big Cypress. She checking on the hours they are open to determine a time we may visit. She is also working on a trip to Safari Park in Alamo

Sharon Sherrill has a Canon 40 D camera with a IS lens. She said she saved ~ \$300 by choosing to purchase it from Dell.

It was also mentioned to check our Adorama because they having good prices on lenses.

Meeting Adjourned

Thanks to Les MacDiarmid for the program he provided. He inspired us to think “out of the box” and use our imagination to “speak *your* language through your photography.”

Next month’s program will be on Media and Sports Photography presented by Trevor Ruskowski, campus and public information photographer for UT.

Our next meeting is July 1 at 7 pm. At UTM Library Room 118, which is across the hall from the room we have been using. The photo contest at our next meeting will be pictures taken at **Our Backyard Town**.

Remember: July 4<sup>th</sup> is quickly approaching. Try to photograph the fireworks!!!
