

October meeting was changed this month and a “picnic” was held instead.

It was a rainy day and UTM Library was gracious and allowed us to have it inside in their media services room. Several members braved the rain and came out.

Old Business:

No old business was discussed

New Business:

Our Christmas party will be held at John Paul’s house (directions and details to be given later) on our regular meeting night December 2.

Reminders:

February Tom Gallien will be offering a Photo Shop Class at UTM.

Check out our new website. NWTPC.org Please read the email from Edd that ask for specific items for the site. I was able to give him all but the winners pictures from our photo contests. So, previous winners, please send those to Edd so he can put them on our site.

Our next meeting will be on **November 11th @7pm** (change of date due to the presidential election being on our regularly scheduled meeting time) at the UTM Library in media services room 118. Robert Nunley, artist/photographer, will present the program. His program will be entitled /"Watching & Waiting"/ which is essentially a program on patience and the never-ending quest for the perfect photograph. Robert, whose photographic passions are crafted with small-format equipment, will show us his techniques and share his philosophies.
