It was requested that the club secretary notify Edd Joyner of new members so they can be added to our website.

It was suggested that we have a "theme" for our photo field trips so that we will be challenged to step out of our comfort zone and learn more. Motion was made by Sherry to do this but was dropped with no second.

David Hayes sent word that he could create name tags for camera bags and luggage if someone wanted to design them. Becky Caldwell said that we already have the club logo and she would forward that on to him to use.

Discussed members ideas for photo trips

Our program, presented by Edd Joyner, for the February meeting, was on using our website and resizing your pictures to include in to galleries. Edd said, if we would like, he could add a listserv to the website.
