

NWTPC

March 2, 2010

Program:

Edd Joyner presented the program on navigating our NWTPC website and provided instruction on how to upload your photo to the site. For those of you who might need a reminder on their password and who have not ever changed it... it is

Login: Your Name (with a true space between capitalized first and last name)

Password: upper case initial of your last name xxxxx (5 x's) then xxxxx (5 x's). No spaces. Ex: Jxxxxx

During the second half of this month's program, David Glover provided "How to add a signature to your images in Photoshop"

Richard Griffin, President, called meeting to order.

Reminders:

Masquerade Theater field trip, Monday at 6:30. Corrected directions were given.

Focus Adventure in Steamboat Springs in July. If you register before April there will be a lower price.

Inspiration Photography Weekend in Nashville, April 17-18.

NEW TIME: Next month's meeting will be the second Thursday, April 8th @ 6:30 in Martin. Exact site of the meeting will be provided later. We will vote on the preferred meeting time after trying it out for a couple months.

We discussed going to Matlock Studios, possibly in June. We may have to go in 2 groups on separate days.

We viewed this months photos "Red" that were submitted. Next month our "focus on photos" will be *water*, any type.

Members Present:
