

NWTPC MEETING

June 1, 2010

The July meeting of the Northwest Tennessee Photography Club took place on June 1, 2010 at 6:30 at the UTM Library. President Richard Griffin called the meeting to order. Eleven members were present.

Roy Cates gave an interesting program on macro photography. He displayed a number of his macro pictures and explained the process. Different items set up for members to try their hand at macro shots.

A short business meeting followed. Treasurer Roy Cates reported a balance of \$2504.02. Emily Eliston talked about the World Wide Photo Walks on Sat. July 24. The closest event to us is in Paducah and registration is required. Several ideas were discussed as ways to get the club more visible to the public. Linda is going to check on reserving a month next year at the OC Library for us to display our photos like we did last year.

The next meeting will be Tuesday, July 6 at 6:30 at the UTM Library. Tom Gallien will present the program on Photoshop. Email him with specific questions or techniques you wish him to address. This month's photo topic will be patriotism.

The meeting was adjourned.

Respectfully submitted,

Linda Harrelson, secretary
