

Northwest Tennessee Photography Club Meeting July 7, 2010

The monthly meeting was held at the UTM Library. President Richard Griffin called the meeting to order. Sixteen members were present.

Treasurer Roy Cates reported a balance of \$2544.08. Roy reported that we have 23 due paying members this year. He is providing Edd and Richard a list of the paid members so we can update our web page. Anyone who has not paid their dues for 2010 can contact Roy at rcates2@charter.net

Several members brought patriotic photos which were shared with the club.

Tom Gallien presented the program on working in Photoshop. He showed how to work with layers and answered many questions posed by members.

The August meeting will be in Union City at the Obion Co. Library at 6:30. Bud Grimes, the Director of UTM Publicity, will be the speaker.

The photo theme will be “reflections” using glass, water, mirrors, etc.

Respectfully submitted,

Linda Harrelson, secretary
